ROADSHOW for the week beginning June 7, 2010

Inclement weather or other unforeseen circumstances may occur, so the information below is strictly of an advisory nature and is subject to change with no notice.

Pothole patching, sweeping, drain & ditch cleaning, pavement marking, and maintenance crews may work on major interstates in the Louisville Metro area only during non-peak daytime hours and at night. Motorists should watch for roadside maintenance and pavement marking crews on interstates and highways throughout the rest of the district on a daily basis.

Jefferson County:

Interstate 265: Lane closures and delays possible between the Seatonville Road overpass and Taylorsville Road (mile points 18.8 and 23.3). The roadway may be reduced to one lane **weeknights Monday – Thursday from 7:00 p.m. until 6:00 a.m. the following morning. On weekends, lane closures are possible from 7:00 p.m. on Friday until 6:00 a.m. on Monday.** The speed limit in the work zone will be reduced to 55 MPH.

Interstate 64: Lane closures and delays possible between I-265 and the Jefferson/Shelby County line (mile points 18.8 and 23.9) due to roadway widening. . **Lane closure scheduled for westbound I-64 from 7:00 p.m. on Monday, June 7th until 6:00 a.m. on Tuesday, June 8th. Westbound I-64 traffic lanes will be split with permanent barrier wall between the two travel lanes. All traffic exiting westbound I-64 to I-265 must be in the right lane at the beginning of the lane split. Motorists should be aware that the shoulders are limited and narrow at the bridge crossings. Lanes will be restricted to 12 feet in width.** The speed limit is reduced to 55 MPH in the construction zone and this is a **double fine work zone**. Construction is scheduled for completion in the fall of 2010. As part of this project, **Clark Station Road is closed at the I-64 overpass. The road is closed until November for removal and replacement of the bridge. Motorists should follow the signed detour via US 60 to Conner Station Road (in Shelby County) to KY 148.**

Interstate 264/Interstate 64 interchange: Entrance ramp from Bank Street to westbound I-264 and exit ramp from westbound I-264 to eastbound I-64 (mile point 0.33) will be closed beginning at 7:00 p.m. on Tuesday, June 8th. These ramp closures will remain in place until July 2, 2010 and will allow for pavement removal and replacement. Motorists should follow the signed detour via New Albany, Indiana.

Interstate 65: Shoulder closures possible in both directions between Interstate 264 and Fern Valley Road (mile points 128.1 and 131.2) on Monday, June 7th from 9:00 a.m. until 3:00 p.m. to allow for sign installation.

US 31 (Clark Memorial Bridge): The bridge is reduced to one lane in each direction to allow for repairs and painting.

US 31W (Dixie Highway): Roadway will be reduced to one lane in each direction at the bridge over the Salt River (mile point 0.03) due to bridge repairs. The travel lanes are 11 feet in width. The speed limit is reduced to 45 MPH in the work zone.

US 60A (Eastern Parkway): Roadway is **closed** between Hahn Street and the entrance to the J. B. Speed School of Engineering (mile point 3.8 to 3.7). This closure will allow for extensive repairs to the bridge over the CSX Railroad. Motorists should follow the signed detour via Crittenden Drive, Central Avenue and Third Street (KY 1020).

KY 155 (Taylorsville Road): Lane closures and delays possible at the intersection with Landherr Drive (mile point 8.2) due to construction of the Blankenbaker Parkway extension.

KY 913 (Blankenbaker Parkway): Lane closures and delays possible at the intersection with Blankenbaker Access Drive (mile point 0.9) due to roadway construction.

KY 1450 (Blue Lick Road): Lane closures and delays possible between the Jefferson/Bullitt County line and Preston Highway (mile point 0 and 3.5) due to roadway milling and resurfacing. Work is scheduled **Sunday – Thursday from 6:00 p.m. each evening until 6:00 a.m. the following morning.**

KY 1447 (Westport Road): Lane closures and delays possible between Hubbards Lane and I-264 (mile points 0.9 and 1.9) due to roadway widening. Speed limit on Westport Road has been **reduced to 25 MPH** in the construction zone.

Old LaGrange Road (CR 1010): Roadway will be closed in Lyndon between United States Post Office and Ormsby Road beginning June 7th due to bridge replacement. Motorists should follow the signed detour via Ormsby Road, Westport Road and Lyndon Lane.

Echo Trail (CR 1047): Roadway will be closed just north of KY 1819 beginning June 14th due to bridge replacement. Motorists should follow the signed detour via Old Heady Road and Brush Run Road.

Bullitt County:

KY 1494 (Beech Grove Road): Roadway is closed at the bridge over Long Lick Creek (mile point 5.5) due to bridge replacement. Motorists should detour the area via KY 61.

Franklin County:

US 60 (Capital Avenue Bridge): Lane closures and delays possible on the bridge (mile point 8.4) due to bridge repairs and painting. One lane of traffic in each direction will be maintained.

US 421 (Leestown Road): Construction delays are possible between Chenault Road and US 60 (mile points 1.5 and 3.0) due to roadway widening. Motorists should watch for construction vehicles in the area. Construction is scheduled for completion in the fall of 2010.

KY 420 (High Street): Lane closures and delays possible at the intersection with East Main Street due to signal work. Crews will be working in the overnight hours.

Henry County:

KY 22: Lane closures and delays possible at the Kentucky River Bridge near the Owen County line (mile point 22.4) due to construction of a new bridge. Lane closures and delays are also possible on KY 355 in Owen County at mile point 6.6.

Oldham County:

Routine maintenance

Shelby County:

Interstate 64: Construction delays possible between the Jefferson/Shelby County line and the Simpsonville exit (mile points 23.2 to 28.1) due to roadway widening. The speed limit is reduced to **55 MPH** in the construction zone. Construction is scheduled for completion in the summer of 2011.

US 60 (Main Street and Washington Street): Shoulder closures and delays possible between Ashland Avenue and Hi Point Road (mile points 9.7 and 11.19) due to replacement of sidewalk ramps. Work will be performed daily from 9:00 a.m. until 2:00 p.m.

Shelbyville Bypass construction: Shoulder closures and lane closures possible at US 60 and KY 55 due to bypass construction.

Spencer County:

Routine maintenance

Trimble County:

Routine maintenance
